

Cambridge Certificates 2011: brilliant results!

After a preparation course during the 3rd trimester (2010/2011) 41 of our pupils passed this year's University of Cambridge ESOL Examinations in June 2011. While 35 pupils went for the FCE (First Certificate of English, Level B2 of the CEF), 6 even tackled the CAE (Certificate of Advanced English, Level C1 of the CEF) - and all succeeded!

Congratulations to all of you!

On Monday, 26th of September 2011, the pupils were handed their certificates by Saarland's Minister of Education, Klaus Kessler, and the Director of "Verband der Volkshochschulen des Saarlandes", Dr. Martin Dust, during a ceremony at the Ministry of Education.

Two of our pupils from 1L1, Sophie Ziegler and Aline Schmeer, contributed to the celebratory atmosphere with a few songs which they beautifully presented to the audience.

We are particularly proud of the fact that the largest group of pupils to have passed the examinations countywide is from our school!

So let's keep up the good work!
