

Cambridge Certificates Summer 2017: Truly brilliant results

On Wednesday, 6th of September 2017, the pupils were handed their certificates.

After a preparation course in spring and summer 2017, 40 of our pupils passed this year's University of Cambridge ESOL Examinations in June and July 2017 with flying colours.

25 pupils went for the FCE (First Certificate of English, Level B2 of the CEFR) – 10 of whom actually reached the C1 level.

15 pupils tackled the CAE (Certificate of Advanced English, Level C1 of the CEFR) – 5 of whom had their C2 level certified.

We are, once again, particularly proud of the fact that the largest group of candidates to have passed the examinations countywide is from our school!

So let's keep up the good work! Congratulations to all of you!
