

Erasmus+ JobTrotter Kick off

Our Erasmus+ project « JobTrotter has kicked off with a trip to Sicily where pupils and teachers from Bulgaria, France, Germany, Italy, Spain, the United Kingdom and Turkey met up to work around our main theme « job and mobility ».

It is a multi-purpose project, fostering European integration through mobility, increasing career opportunities through activities designed to groom our pupils for an international job market, and improving their linguistic skills.

But perhaps, first and foremost, is the unique and defining humane experience which will remain in the memory of all the actors involved.
