

Erasmus+ exchange: Meeting our partners from Finland, Greece and Spain

Students and teachers from Finland, Greece and Spain are spending one week at our school as part of our Erasmus+ project « Headlines: More than Meets the Eye ». They are working in cross-national teams, assessing social media profiles, collaborating in workshops at Saarland University on the legal aspect of media and producing themselves flyers for an awareness campaign on dos and don'ts online.

Next stop for the students : Virrat (Finland) in January 2020
