

4th English-language Creative Writing Marathon

We have decided to postpone the writathon that was planned for 10th December until further notice. Due to the Corona situation, it would be unwise to maintain it on that day. We'll let you know as soon as we have an alternative date.

Advent season is story-telling time, so come and join us!

For 9ers, 2nde, 1ère and Tle students

Where does it take place?

In the larger music room.

And when?

On Friday, 10th December 2021 from 17:00 to 21:00

Registration:

If you're interested, please notify your English teacher asap (deadline: Monday 6th December 2021)

Why should I go there?

Because you like writing a good story ...

What happens with the stories?

There will be a jury that will choose the best stories.

How does it work?

Well, you will only get the topic at the beginning of the writing night. You can write on paper or on your laptop, sitting down or lying on the floor ... You can bring a dictionary and ask the English teachers for vocabulary. You can listen to music while you are writing, munch on snacks you brought, discuss your ideas with others...

Bring along some food (salads, savoury and sweet pies, cakes... anything goes, as long as we can share it!) and drinks. The teachers will provide plates, glasses and cutlery, and we will all share at the end!

Would you like to participate? Please tell your English teacher before 6th December 2021!
